

VISITOR KIOSK

SELF SERVICE LOBBY KIOSK

TEKWAVE Solution's lobby Visitor Kiosk is a simple self service way of controlling access and monitoring guests entering and exiting your facility. Guests simply process themselves from a tablet encased in wall mount, floor stand, or desk stand. Employees can receive text and email alerts based on visitor arrivals and guests can receive passes with their picture, expiration date, etc. printed on them. With our simple to use software, it has never been easier to track visitors!

Visitor Processing

Admit and verify guests to and from your corporate building

- Easy self-service interface
